

After Care Program

The concern of the SFB Administration, Faculty and Staff for its students and their families extends well beyond the 7:30 – 3:00 school day. In order to ease some of the burdens on families, SFB has implemented a variety of programs that go beyond the classroom. One of these programs is After School Care.

Our After Care Program offers a safe and convenient solution for parents who need to be at work after school hours. Students may stay until 6:00 P.M. This program is structured to give the children a choice of activities so that they enjoy the extra time spent away from home. The program is flexible for parents who need it on a part-time, full-time, or as-needed basis.
