—When sending lunch money, please put child/children's **FIRST & LAST** name or account number on your **check**.

This helps to ensure money goes to correct account, due to different last name of child, or same last name as several other families in school here!! Thanks!

—Please be aware that you will be receiving a phone call approximately 8:00 every evening Monday through Thursday when your child's lunch balance runs below the minimum of \$10.00. This means you need to send lunch money for their account the *next* school day!

—And lastly, there is a \$10.00 **minimum** deposit to lunch account, *preferably* by check. Thanks!
