Parish Policy for Financial Assttance.

The allocation of financial aid to families with "financial need" is critical to our mission of keeping Catholic Education affordable to all families. This year the Catholic Education Office has elected to use financial need assessment services provided by FACTS Grant & Aid Assessments. **Application forms are available at the parish or school office.** Families will only need to complete one application to apply for Catholic Families Assistance Endowment and Parish Financial Assistance. These applications must be completed and received by FACTS by **April 1, 2010.** Completed applications include a letter to the pastor and a personal interview with the pastor.
